Dear Dr. Khutmah and Mr. Dana:

I am pleased to inform you that proviso # 1 to AASM accreditation of your center has been met, as judged by Dr. Donna Arand, the chair of your site visit.

All provisos have now been met for full accreditation by the Academy. A press release announcing your full accreditation will be distributed to area media by the public relations coordinator at the national office. If you have questions regarding the release, please contact Jim Arcuri via e-mail at jarcuri@aasmnet.org.

Your complimentary center accreditation certificate is enclosed. The facility name appears as printed above. Please note: certificate frames are available for purchase using the enclosed order form. If you desire a frame for your accreditation certificate, please place your order for item #5001-A (cherrywood frame) or #5002-A (black frame). If you desire additional certificates, please mark the appropriate items on the order form.

Your efforts to achieve accreditation have been significant and reflect commitment to the growth of the field of sleep disorders medicine. Congratulations on what you and your colleagues have accomplished.

Please inform the AASM national office of any changes in the structure or function of your center as they relate to the Standards for Accreditation. Information regarding changes to the structure or function of your program should be mailed to the AASM national office within 30 days of the date of the change.

Please contact the Accreditation Department at (708) 492-0930 for assistance.

Sincerely,

Jennifer Grah
